## **We Build Reliability**

Located near Victoria, British Columbia on Vancouver Island, Nicholson Manufacturing Ltd. is a global leader in the design, manufacture and service of ring debarking and log handling equipment for the forestry industry. By choosing Nicholson, our customers benefit from both proven design and innovation. Decades of experience in engineering and manufacturing combine with a continuous improvement culture to bring leading-edge technology to Nicholson's products and services. Purposely designed and built to perform, Nicholson equipment can be found in wood processing facilities around the world. For more information about Nicholson, visit [www.debarking.com](http://www.debarking.com).

## **The Opportunity**

Nicholson has an immediate opening for a full- **Journeyman Fabricator/Fitter** at our manufacturing plant in Sidney, British Columbia. The position offers compensation of \$38.59/hour plus extended health benefits and pension through the Boilermakers Local 191 union. Nicholson provides safety training, on the job training and opportunities for career growth.

## **Requirements**

- Red Seal Journeyman Fabricator/Fitter trade certificate or equivalent international accreditation.
- 3+ years of Journeyman Fabricator/Fitter experience preferred.
- Ability to lift parts weighing 30 lbs. and stand for the duration of the shift.
- Valid driver's license, reliable transportation and available for shift work as needed.
- Experience with overhead cranes and forklifts are considered an asset.

## **Responsibilities**

- Read, understand, and comply with all Company policies and procedures, including the Employee Handbook, Occupational Health and Safety requirements, and provisions of the Collective Bargaining Agreement.
- Read and understand technical drawings, blueprints, written procedures, and verbal instructions.
- Ensure parts are produced to specifications, verify work piece dimensions are correct and made within tolerances.
- Actively participate in, and contribute to, continuous improvement and safety initiatives in the workplace.
